ELECTORAL LITERACY CLUB MIRZA GHALIB COLLEGE, GAYA

As per the guidelines of Election Commission of India The Electoral Literacy Club (ELC) initiative, launched by the Election Commission of India (ECI), aims to promote electoral literacy among citizens, especially youth and first-time voters. These clubs serve as platforms for enhancing awareness about the electoral process, rights and responsibilities of voters, and the importance of informed voting.

ELCs conduct various activities, such as workshops, seminars, and interactive sessions, to engage participants in discussions about the electoral system, the significance of participation in democracy, and how to navigate the voting process.
